About Us

Middlesex-London Paramedic Service is responsible for providing 24-hour emergency and non-emergency pre-hospital medical care and transportation to individuals experiencing injury or illness. Our dedicated teams of highly qualified front-line paramedics work with up-to-date equipment and technology to give the residents and visitors of the Middlesex and London area the best service available.

Placement Summary

Middlesex-London Paramedic Service (MLPS) is currently accepting applications for 3rd and 4th semester college students interested in joining the Primary Care Paramedic Mentorship Program.

The successful candidates will be provided a mentorship placement within MLPS. Placements will be completed with a variety of paramedic mentors in various station locations. The successful candidates will receive continuous feedback throughout the process and receive continuing education opportunities. Placements will take place during the months of November 2024 through April 2025, in coordination with their respective Colleges. This process is competitive and not all applicants will be offered mentorship positions within the service.

There is no guarantee of employment after the placement has concluded, however the intention of this program is to develop and foster well-rounded paramedic students and assist them with the transition from student to independently practicing as a paramedic. The intent of this program is to present a conditional job offer to successful candidates.
